This has been a difficult time for so many and FSL is a safety-net offering critical human services to those in need. Like many of you, we've adjusted our plans. We were not able to have our largest fundraisers in-person, but we are able to provide you access to exciting auction prizes. Proceeds benefit FSL's vital programs and clients impacted by the COVID health crisis. We hope you consider participating in our online auction, virtual events, or making a donation.

Every year, it touches the lives of more than 50,000 Long Island children and families. In this social climate it is important to reiterate its founding values - FSL rejects racism, prejudice, and intolerance on every level. Today, and every day in communities across Long Island, FSL is Restoring Hope and Rebuilding Lives!

Your contributions are needed now more than ever. Together, we can overcome the challenges of this unprecedented situation and

build a stronger future for all Long Islanders!
