Summer camp can change a child's life!

For over 40 years, FSL has provided children living in poverty with a brighter summer. This extraordinary program has grown to accommodate over 450 children each year. Summer camp can change a child's life, especially for children suffering daily hardships most of us will never have to endure. It is a time they can leave stressors behind, have fun, make new friends, and explore a new environment. It is the "Power of Play" which helps children develop skills to communicate effectively, work as a member of a team, and to grow. Donations are needed to sustain this important program.
