For 95 years, we've been busy helping strengthen and heal our community!

- Counseling those in crisis or suffering with mental illness
- Helping people cope after the loss of a loved one to overdose or suicide
- Making sure that those financially struggling have housing and food
- Providing children with backpacks, holiday toys, and camp experiences
- Treating those suffering with addiction and offering prevention workshops
- Making early education and parenting classes accessible for those most vulnerable
- Teaching Seniors new technology skills and so much more...

These are just some of the issues FSL takes on everyday.
