

Did you know...

Family Service League is one of the foremost providers of behavioral health services on Long Island, treating all aspects of psychiatric illness, emotional distress, and providing comprehensive addiction services for children, teens, and adults. Our expert staff work collaboratively with healthcare providers and care management services to achieve true integrated healthcare for those who are struggling.

Proceeds from the 5th Annual Walk for Wellness support these types of critical community programs. Sign-up today to help ensure that quality behavioral health care and safety-net services are available to Long Islanders in crisis - thank you!

You can make a difference!
