A message from FSL's President & CEO, Karen Boorshtein

Dear Friends,

Your Long Island neighbors need the critical programs and care that Family Service League provides. Every day, thousands of children and adults are facing profound hardships. They struggle with life-altering issues such as depression, anxiety, addiction, and the lack of basic necessities. **Your donation helps.**

FSL offers 60+ programs:

- When tragedies and loss strike, FSL offers counseling for the survivors – the parents who have lost a teen to addiction, the loved ones of someone who surrendered to suicide, and those facing trauma can find comfort, coping skills, and healing.
- Each night, FSL's Network of Shelters provides safe space for over 600 children and adults.
- We offer support for caregivers, education for seniors, and patient advocacy for those residing in assisted living and skilled nursing facilities.
- Safety-net and quality of life services such as crisis intervention, food pantries, school supplies, and holiday toys, provide thousands of families and seniors who are living in poverty with the necessities.
- Educational opportunities range from parenting classes to homework help, to building employment skills, attending addiction prevention workshops, and much more.
