**FSL offers 60+ programs for Long Island's children and adults. We provide support, counseling, and resources for life's most difficult challenges - fighting addiction, finding emergency housing, coping with trauma, and struggling with mental health conditions.**

**Your donation and participation in our fundraising activities helps ensure that quality care is available for thousands of people every day.**

FSL's DASH 24-hour HOTLINE, crisis care center, and mobile teams are available for children and adults experiencing a severe mental health or addiction issue. DASH is a Diagnostic, Assessment, and Stabilization Hub. It is often an alternative to a traditional Emergency Room. If you or a loved one is struggling, please reach out today!
