

**JOIN US IN RECOGNIZING  
HISPANIC HERITAGE MONTH**

We are proud to celebrate  
**NATIONAL HISPANIC HERITAGE MONTH**  
from September 15th through October 15th.  
This year's theme is  
"Pioneers of Change: Shaping the Future Together"  
This is a reminder that our beloved country benefits  
greatly from the contributions made by visionaries  
of Hispanic and Latinx descent whose insights,  
culture, and values propel America forward  
economically, politically, and socially.

**Diversity, Equity, Inclusion, and Belonging**

Diversity, Equity, Inclusion, and Belonging (DEIB) are fundamental principles that we embrace and respect. We are committed to fostering an inclusive culture where our employees feel valued and heard, and to engaging and retaining a diverse workforce that reflects the diversity of the population we serve.

We work to reduce disparities in behavioral health care by ensuring fair and equitable access to treatment, with a focus on achieving positive treatment outcomes, especially for historically marginalized groups. We recognize that by providing

culturally competent services, we can adequately address and meet the needs of every individual, family, and child.
