

## Do you have what it takes to be a Camp Champion? We think you do and so do our kids.

Every once in a while someone steps up and does something extraordinary.  
We call them a Champion. You can be that person.

The children served by FSL do not have the same opportunities as other children.  
A Summer Camp experience is something that helps bridge the gap.  
Playing, learning, and growing with other children in a safe and nurturing  
environment can change a child's life.

**This can only happen with the compassion and vision of a Camp Champion.**

You or your company can sponsor this important children's program by making a  
3 year pledge of \$2,500 per year.

Please consider the impact your gift will have on the life of a child.
